Product Description

Night Relief is available in four different strengths to meet your specific needs and goals. Please see the CBD Strength chart below to select the correct oil for your individual needs. A good night's sleep makes a big difference in how well we function all day. Unfortunately, it's not always as easy as that. Our Night Relief CBD Oil is designed to provide all the benefits of CBD and incorporates a calming and relaxing terpene profile to help us wind down, quiet the mind and get a good night's sleep. Night Relief may cause drowsiness and should not be taken before driving or operating any kind of equipment. It is designed to be taken 30-45 minutes before going to bed. **THC-Free** to avoid the risk of testing positive for THC on a drug test. **Night Relief CBD Oil is available in the following strengths:**

Strength	CBD per 1ml Serving	CBD per 2oz/60ml Bottle	Designed For:
20mg	20mg	1200mg	Occasional light issues 2-3 times per week
50mg	50mg	3000mg	Daily moderate to difficult issues
100mg	100mg	6000mg	Chronic severe issues Maximum strength.
